Dear Joaquín Perez, Rafael De la Rosa, Hilda Castillo  
and Darnes Vilariño

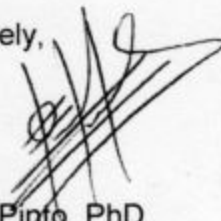

We are pleased to inform you that after thorough  
reviewing process, your paper entitled

*"A Storage Pattern-Based Heuristic Algorithm for  
Solving Instances of Hard28 Datasets for the Bin  
Packing Problem"*

Has been accepted for publication in the Special Issue  
on Language & Knowledge Engineering of the journal  
*Computación y Sistemas*.

You will receive a printed copy of the journal when it will  
be published. Please communicate us the postal  
address at which you would like to receive the copy.

Sincerely,

David Pinto, PhD  
Invited Editor  
Computación y Sistemas Journal
